Important Reminders:

1. Insofar as possible, we will adhere to the itinerary and inclusions listed on this tour. However, occasionally due to inclement weather or other reasons beyond our control, certain items can be postponed or cancelled. When this happens we will always replace said item with something of equal value and importance.
2. Please remember that this is a physically active tour.
On a scale of 1 to 10, it currently ranks as an 7, which is moderate to high. However, if you should decide to partake in the optional excursions, the activity level moves up to a 8, which is high. Although many of the walking excursions will take place on level ground, some of them will not. For instance, some areas of Athens and Ios are uneven and sloped. **You will be walking up and down staircases as a part of the walking tours. Keep this in mind.**
3. The weather will be warm during the day and mild at night.
This tour takes place mostly in June and it will be warm in Greece.
Please bring appropriate clothing and sunscreen.
4. Keep guard over your personal belongings. Pickpocketing is common in Athens and we advise you to take precautionary measures, such as sewing velcro into the linings of your pants pockets, or leaving your passport and necessary valuables in your hotel room.
5. The Fine Print. Keep in mind that this is a Value Level Tour. For instance, the hotels you will be staying in might not include breakfast. Also, this tour doesn't have included dinners or as many included walking tours as some of our other tours. But we will offer several optional experiences along the way.
